## 10. System guarantees

**10.1** Subject to clause 10.2, we guarantee: (a) our workmanship in provisioning the Scope of Works for a period of 5 years; and (b) the operation and performance of the Product, will be free from fault or defect for a period defined by the associated manufacturer Product guarantee, commencing on the date the Scope of Works is carried out (Guarantee Period), and we will repair any such default or defect notified to us within the Guarantee Period, including by replacing all or part of the Product where necessary, within a reasonable timeframe at no cost to you. **10.2** The guarantee in clause 10.1 will not apply where: (a) the fault or defect is not notified to us within the Guarantee Period; or (b) the fault or defect is a result of: (i) something done by you or someone else, and not us or our contractors; or (ii) something beyond human control that occurred after installation, e.g., an extreme weather event; (iii) the Product being misused, abused, neglected or damaged after installation; (iv) the Product being maintained other than in accordance with the Maintenance Documents; or (v) the Product being repaired, modified, reinstalled or repositioned by anyone other than a service technician approved by us in writing. **10.3** The guarantee in clause 10.1 is additional to any other guarantee or warranty you may have: (a) from the manufacturer of the Product; or (b) under any applicable law, including the Australian Consumer Law, although these other guarantees and warranties may not cover labour costs, travel costs and delivery costs arising from a claim under these other guarantees and warranties. We will notify you if this is the case, and tell you the costs payable. The costs will be payable in advance. **10.4** During the Guarantee Period, we will provide reasonable assistance to you in making any guarantee or warranty claim against the manufacturer of the Product, including by acting as your liaison with the manufacturer.

**Exclusions:** Equipment warranties; electronic system monitoring and control components (manufacturer); solar panels (manufacturer); inverter (manufacturer); batteries (manufacturer); electric vehicle charging equipment (manufacturer); Balance of Materials (BoM).
